

# Creating a QR Code - Open House Use

1. Go to your agent website.
2. Navigate to Property Search.

3. Fill out similar criteria to the same house you are showing.  
Suggested: Active Status, \$20k +/- list price, # bedrooms, County

All the houses matching your search criteria will appear. If too many or too few, adjust your search criteria.

The screenshot shows the top of the Craig Francois CSRS website. The header includes the name 'Craig Francois CSRS', a 'Login' button, and a phone number '920.660.4266'. Below the header is a navigation menu with links for 'Property Search', 'Map Search', 'About Us', 'Our Listings', 'Our Solds', 'Our Reviews', 'Videos', and 'Blog'. The main content area is titled 'Search Results' and shows '14 Properties Found'. There are two columns of property listings. The first column includes a listing for '1084 Daisy Lane' with a price of '\$340,000' and another for '1671 Tracy Lane'. The second column includes a listing for '235 Diamond Ridge Circle' with a price of '\$359,900' and another for '1639 Marie Lane'. On the right side, there is a profile for Craig Francois with a photo, contact information, and buttons for 'Email Us' and 'Text Us'. Below the profile are three buttons: 'What is My Price?', 'Help Me Find A Home', and 'Help Me Sell My Home'. At the bottom right, there is a 'Quick Property Search' form with fields for 'County, City, Address, Zip...', 'MLS#', and dropdown menus for 'Single Family', '3', and '2'.

#### 4. Copy URL at the top.

The screenshot shows a web browser window with the address bar highlighted in green. The URL in the address bar is 'craigfrancois.shorewest.com/homes-for-sale/Brown\_county/WI\_listing-state/340000\_search-price-low/360000\_search-price-high/2\_baths-low/3\_beds-low/Activ...'. The browser window displays the same website content as the previous screenshot, including the header, navigation menu, search results, and agent profile.
